Subject: final schedule for Regional Administrator's visit
Attachments: ItineraryShaunMcGrathLibby June 2016.docx

Damon,

Attached is a draft final schedule for Shaun's visit to Libby. We were thinking Shaun could drop in to the morning briefings Thursday the 30th and thank the contractors for their hard work. Are you able to forward this to Chuck and Tammy to help finalize the details for these drop ins? I'm not sure whether I have the times in here correct.

Ruby, do you want to create a team schedule for that week based on this even though not everyone will attend all meetings? And you can add the availability session for Tuesday night even though it might just be me and Rebecca with Jeni Flatow from DEQ?
